

Consider a Gift of Music... 88 Keys Purchase-a-Key-Fund

Help the East Brunswick Education Foundation (EBEF) complete its goal of placing a professional quality grand piano at the East Brunswick Performing Arts Center (EBPAC) at Hammarskjold Middle school.

Whether it is a school concert, community event, or a well known artist, the facility must contain a piano worthy of the amazing talents that will perform within its walls.

Partial funding has been provided through a grant by the East Brunswick Education Foundation (EBEF). You can help complete the purchase by donating the cost of one of the 88 keys! Your donation of \$ 150 to the Purchase-A-Key-Fund of the foundation will bring the quality sound of piano music to the East Brunswick educational community for years to come. There are also other levels of support to choose. Monies raised beyond the cost of the piano will be used to help fund cultural events at the EBPAC.

The names of all donors will be placed on a prominent and permanent commemorative plaque at the entrance to the Performing Arts Center. They will also be listed on the East Brunswick Education Foundation web site, www.ebef.org. Your donation to the Purchase-A-Key-Fund is tax deductible, as the EBEF is a 501 (c) 3 charitable organization.
